Each player receives a red/black reversible jersey and a pair of shorts. Please be sure to follow these care instructions:

### **UNIFORM CARE INSTRUCTIONS**

- Machine wash in cold water on gentle cycle - if you have this cycle
- Wash inside out to maintain color
- **Do NOT put any pieces of the uniform in the dryer** – please hang to dry at all times
- Absolutely NO alterations on the uniforms
- **Do NOT IRON** any parts of the uniforms

The uniforms will be checked out to a player and will be checked back in by the KAYBC member who maintains our uniform inventory. If the uniform is not returned in the manner it was checked out OR not at all, the player will be charged \$50 for the entire uniform (\$25 for each piece). Each team's coach will notify their players of a date that the uniforms must be returned.

Please sign off on the following form acknowledging the uniform care and return of the uniform. This form will be kept by the KAYBC until the uniform is returned.

We sincerely appreciate your help and pride in maintaining the KAYBC uniforms!
